Order and Schedule

Order and schedule for most types of exams. Track orders by status. Access our appointment book and select available time-slots—in real time—including weekend and evening appointments.

Quickly see completed exams and pending orders

Patient Name	Birth Date	Sex	Type	Exam Description	Date
Doe, Jason	12-25-1991	M	MR	MR Cervical Spine WO	08-30-2013
Doe, Jim	12-26-1992	M	MR	MR Knee WO	08-27-2013
Doe, John	12-27-1993	M	MR	MR Lumbar Spine WO	08-27-2013

Search

Search for your patients, or patients belonging to other providers in your practice, using common attributes. You can also search for patients outside your practice.

Messages

Receive and send secure messages directly from the portal. Email communication may compromise protected health information—use the portal's message feature to communicate securely.

Filter worklists in ways that make sense to you.

Completed | Scheduled | In Progress | Edit Tabs

Exam Status

See exams by status—completed, scheduled, or in progress.

Ordered | Pending | Edit Tabs

Order Status

See orders by status—ordered or pending.

FILTER BY PATIENT NAME

Click to filter by date timeframes.

Get Help

If you need help getting started, solving technical issues, or learning how to use the portal, contact the portal's Web Team.

My Folder

Add exams to custom folders for convenient access in the future. Name your folders in ways that make sense to you to help you organize an exam archive.

View patient's exam history—providing access to reports and images.

Download Report
Download a PDF-copy of the final report.

Print Report Print the report using the browser's print function.

Add to Folder
Add exams to custom folders for convenient access in the future.

Create Order
Create a new order for the selected patient.

The Images Tab shows all images acquired during the patient's exam, organized in series.

3 Image Viewer Options

1. Quick Viewer

Click in the lower-right corner of the thumbnail, indicated by a green highlight, to view a large, static display of the selected image.

2. Web Viewer

Access a basic set of controls to view and manipulate DICOM images with the Web Viewer, which works on any device.

3. Full Viewer

Use a full-featured DICOM viewer that displays diagnostic-quality images. The Full Viewer must be downloaded and installed on your computer.

Account

The Account Page allows you to define settings that are specific to your portal account:

My Profile

- Update your personal information, including email and phone numbers.

Settings

- Refine your view preferences for how patients are displayed on the Home Page and Orders Page.

Security

- Change your password.
- Change your security answers—these are helpful to retrieve your user ID or password, should you forget in the future.

Orders

- Change default settings.
- Authorized others to order and schedule on your behalf (ordering providers only). See which providers you can order and schedule for without their review and approval (staff users only).

Image Viewer

- Define the default Image Viewer.
